PREFACE

Having much felt, in the course of my Genealogical enquiries, the want of a Book of Reference like the present, I have printed this Index, for the purpose of enabling others, while living in the Country, to know the contents of Cole, & to save their time, labour, & money, by preventing their travelling to London, with the vain hope of finding a Name in his work, which might not be quoted by him.

It would be very desirable if such Indexes to *all* the Government Records were published.

I have left space for the insertion of the Christian names, & Dates of the Inquisitions, if any Person will take the trouble to make it more complete.

Cole's Volumes are among the Harleian MSS. in small 4*to*.

Vol. 1	is No.	756
2	—	757
3	—	758
4	—	759
5	—	763
6	—	410
7	—	411
